

REPORT OF THE INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

**TO THE SHAREHOLDERS AND BOARD OF DIRECTORS
SEAMICO SECURITIES PUBLIC COMPANY LIMITED**

REPORT ON AUDIT OF INTERIM FINANCIAL STATEMENTS

We have audited the consolidated financial statements of Seamico Securities Public Company Limited and its subsidiary and the separate financial statements of Seamico Securities Public Company Limited, which comprise the consolidated and separate statements of financial position as at June 30, 2016, and the related consolidated and separate statements of profit or loss and other comprehensive income, changes in owners' equity and cash flows for the six-month period then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these interim financial statements in accordance with Thai Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these interim financial statements based on our audit. We conducted our audit in accordance with Thai Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the aforementioned consolidated and separate financial statements present fairly, in all material respects, the financial position of Seamico Securities Public Company Limited and its subsidiary and of Seamico Securities Public Company Limited as at June 30, 2016, and financial performance and cash flows for the six-month period then ended in accordance with Thai Financial Reporting Standards.

REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

We have reviewed the consolidated statements of profit or loss and other comprehensive income of Seamico Securities Public Company Limited and its subsidiary and the separate statements of profit or loss and other comprehensive income of Seamico Securities Public Company Limited for the three-month period ended June 30, 2016, and the notes to the financial statements. The Company's management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Financial Reporting Standards. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with Thai Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the aforementioned interim financial information is not prepared, in all material respects, in accordance with Thai Financial Reporting Standards.
